

- Everplayns
- Start: Heaven

Day 1

- travel: south-west
- We met end traveling too getter with four Straders, de winds become calm - de river go wild
- Martha = cleric, hoofd van de groep
- the jobs come from the headmaster
- De opdracht is traveling 4 days and killt som fools
- words exchange between the group of Martha - de clouds are beautiful but there is a storm brewing
- The next exchange is the sheep cowing escape the pen
- Dan is het gevecht begonnen - ordinary enemies
- The winds become calm - the river go wild, compromised
- bigger organization - Backstreet Barons - they have people in Heaven en have a base somewhere else so everything is compromised
- closest mountain

Day 2

- travel: south-west
- Bacatu Woods
- ruins of old castle – flying sword
- Go inside to scout, veel flying swords and moving armor + flying glowing orbs en a mine
- we dig a hole for the mine, going down the mine with a rope
- 3 ways in de mine, in the middle part of the mine is a golden statue
- moving left is a magic spell, need to do a Constitution Saving Throw
- further left is a cluster of swords. There is nothing there
- We go to the golden statue and fight it - Strong against ordinary weapons and it heals with fire – de fight lost almost dead
